SIX SEAMEN ARE DROWNED AS SHIPS CRASH

DOLLAR LINER RAMS FREIGHT STEAMSHIP OFF NEW ENGLAND

President Garfield Picks up 29 Survivors.

28 MEN ABOARD

Cause of Vineyard Sound Collision is Mystery.

VINEYARD HAVEN, Mass., June 1.—Between six and nine men, it was believed, went to their doom in the waters of Vineyard sound off East Chop early today when the freight steamship Kershaw, Boston for Norfolk, Va., was rammed to the bottom by the Dollar liner President Garfield, enroute to Boston from New York as part of a world cruise.

Liner Slightly Damaged.

A late wireless message from the President Garfield states that 29 survivors of the sea crash were aboard. Six were reported missing. The full complement of the Kershaw, however, was 28 officers and men.

The President Garfield, carrying passengers, reported she was only slightly damaged and was proceeding to Boston. She was due in that port late this afternoon.

The commander of the President Garfield at first wireless that all officers and men of the Kershaw were safe but just before starting for Boston he messaged that he had checked with the commander of the Kershaw and that six men were unaccounted for.

Kershaw Rolls Over. Details of the sea crash were meager. The cause of the sinking of the Kershaw was a mystery. The night was clear and a moon was shining nearly to daybreak.

The Kershaw was rammed on the port side forward. She rolled over on her side after the collision. Ten (Continued on Page Eight, Col. One)

(The opinions expressed in this column are strictly those of Mr. Brisbane and not necessarily in consonance with the policies of The Review.)

FROM his high tower Toulou-droekh saw interesting things—the widow knitting for a livelihood, gamblers over their rouge et noir, peasants from the country, condemned cells, where murderers sat listening to hammering on the gallows.

IT IS less romantic looking down from New York's Ritz Tower over buildings where a few live with millions, and farther east and west, where millions live on little.

But one roof top early yesterday morning might have interested the angel Gabriel, who writes what we do.

The roof was divided by neat green fences into playgrounds and there you could see at play, rolling and tumbling over each other in the bright sunlight, happy Chow dogs, breathing good air, far above automobile fumes and dangers, enjoying the sun's health-giving actinic rays.

TO the east and west children were playing in the gutters, dodging trucks, breathing in gas from exhaust pipes. No playgrounds for them on roofs. Their fathers pay low rents. It would not pay to fuss over them. It would not pay to fuss about that, you could drift into "Bolshevism."

IT IS some comfort to know that the king's horse, recent winner of his majesty's first "classic" race in several years, was treated all winter with artificial actinic rays. Also, in London, actinic ray treatment is given to valuable apes that do not like the British climate.

NO news from the brave Italian, Nobile. But hope is not abandoned. The Russian government will join the search for him, so that the two extremes of theory in government, Sovietism and Mussolinism, both alike in autocratic absolutism, are united in good work.

SCHOOL PICNIC SATURDAY AT ROCK SPRINGS

Free Amusement and Street Car Tickets for Children.

PRICES ARE CUT

Fireworks Display to Feature Night Program.

School children of East Liverpool, Wellsville, Chester, Newell and Salineville will hold their annual picnic at Rock Springs park, Chester, tomorrow.

A strip of five amusement tickets has been given each child, and, according to park officials, a three-cent charge will be made for rides after the free tickets have been exhausted. Ice cream cones, sandwiches, lemonade, orangeade and other soft drinks and pop corn will be sold at half of the regular price.

The Steubenville, East Liverpool & Beaver Valley Traction company and the Newell Street Railway & Bridge company have distributed free street car tickets to children. The park management will present a silver trophy to the school having the largest attendance. A number of special features have been arranged.

A spectacular fireworks display will be given Saturday night. Music will be in charge of Billy Coppell's Virginia Ramblers at Virginia Gardens during the afternoon and evening.

FOUR-IN-SEAT DRIVERS FINED

Two motorists, charged with reckless driving in that four passengers were riding in one seat of the roadsters were fined \$1 and costs by Judge Hanley today.

They were "Rube" Dudegon, who was arrested in Broadway by Patrolman Curran at 11 o'clock last night, and Charles Henry, who was nabbed by Patrolman John Richards at Mulberry street and Pennsylvania avenue.

Information has been filed against Ralph Anania, Ambrose avenue, charging him with driving his automobile after dark without headlights. The charge was preferred by Patrolman Curran.

JAMES F. JACKSON, AGED 74, DIES

James Francis Jackson, 74, retired steel man and father of Dr. James T. Jackson, Little building optometrist, died suddenly Wednesday night in his home, 602 Highland avenue, Woodlawn, Pa.

Besides his widow, he leaves another son, Dr. W. J. Jackson, New Philadelphia, O., and one daughter, Mrs. E. F. Henry, Lewistown, Pa.

Funeral services will be held at 10 o'clock tomorrow morning, daylight savings time, in St. Titus Catholic church, Woodlawn. Burial will be made in Mount Olivet cemetery.

\$15,000 DRIVE FOR Y. M. C. A. BUDGET OPENS NEXT TUESDAY

Dinner for 100 Workers Monday Night.

ONE-DAY CANVASS

W. H. Vodrey Chairman; Division Leaders Named.

A one-day campaign for \$15,000, representing a deficit in the estimated budget of the Young Men's Christian association for the year ending April 30, 1929, will be launched here next Tuesday by more than 100 manufacturers, business and professional men and other workers.

The drive will open with a dinner for workers in the Y. M. C. A. banquet hall at 6 o'clock Monday evening and close 24 hours later when the teams will submit their reports.

Attorney W. H. Vodrey, chairman of the association's board of directors, will be campaign leader. His aides will be Albert E. Frosch, colonel of the "A" division, and J. Donald Thompson, "B" division leader. Each side will have seven or eight teams, each team having a captain and at least seven other members.

List of prospective contributors will be distributed among the teams at the Monday evening dinner. The cards will be given to the team captains early Tuesday morning when the actual solicitation will be started. Cash or pledges will be accepted.

The estimated cost of operating the "Y" during the fiscal year beginning May 1, 1928, has been placed at \$23,465, of which the members will pay \$16,611, leaving a deficit of \$11,854. In addition to this there is a payment on the building fund of \$1,920 and \$1,226 which has been set aside for the contingent fund.

Cost of administration is \$6,009.40, while building and dormitory maintenance will involve an expenditure of \$11,918.75. Approximately \$5,137 will be spent in boys' activities, while the work among the seniors will require \$2,303. The figure for the general expense has been placed at \$2,096.85.

The dormitory and cafeteria will bring in \$9,230, while \$1,737 will be collected in membership fees. Other activities will add \$2,544 to the income.

The campaign executive committee includes C. C. Ashbaugh, A. E. Frosch, F. B. Lawrence, J. D. Thompson, T. E. Lewis, M. W. Thompson, William H. Vodrey and W. Edwin Wells Jr.

HEALTH BOARD FILES CHARGES

Five East End residents, charged with refusing to obey orders to connect their properties with the sanitary sewer, faced Judge J. C. Hanley yesterday upon affidavit by health board officials.

E. D. Bolton, Central avenue, and George Lutton, 1190 Harker avenue, told Judge Hanley that they had already started work on sewer connections, while George Jackson, 1234 Harker avenue, explained that he was getting ready to start. Howard Epps, 1232 Harker avenue, and Lewis Stout, Chaffin alley, said they had no money to make the improvements.

Judge Hanley dismissed the cases. Health board officials said that other charges against East End property holders would be filed within the next few days.

Husband Placed Under Peace Bond. James Best, 104 Boyce street, was placed under a \$100 peace bond by Municipal Judge Hanley yesterday after his wife, Margaret Best, signed an affidavit, charging that Best had threatened her.

OSLO, Norway, June 1.—While Italian Alpine troops and fur traders are painfully searching the northern coast of Spitzbergen today for traces of the missing Italia, it will be nearly a week before a great combined land, sea and air search can be started that will comb the Arctic wastes.

The icebreaker Hobby, sent out by the Norwegian government, and the Braganza, chartered by the Italian government, are due at King's Bay, Spitzbergen, within 48 hours.

On board the Hobby is Lieut. Luetzow Holm, a Norwegian aviator, with a seaplane.

The combination ice breaker and coal carrier Ingertta will follow to King's Bay carrying Capt. Hjalmar Riser-Larsen and another seaplane.

BOUND FROM UNITED STATES FOR AUSTRALIA

Here are four gallant fliers who are defying Fate in an attempt to fly from Oakland, Calif., to Australia in their huge three-motored plane "Southern Cross." They are: Captains H. W. Lyon (left), navigator, and Kingsford Smith, pilot, both Australians, and Capt. C. T. P. Ulm, relief pilot, and James W. Warner, radio operator. Ulm and Warner are Americans.

2 Men Dead, 3 Dying, 2 Missing in Blast

Buildings Within Area of Half Mile Rocked as Explosion Razes Kearney, N. J., Nitrating Plant of Du Pont Viscoloid Co.

KEARNEY, N. J., June 1.—Two men were killed, three probably fatally injured and two are missing today after an explosion that razed the nitrating plant of the Dupont Viscoloid company.

Buildings within an area of half a mile were rocked by the force of the blast, which blew off the roof and puffed out the walls as if they were of paper.

A dozen doctors with a fleet of ten ambulance were mobilized and the injured were taken to the West Hudson hospital. One victim died a few minutes after being admitted.

TWO TRAPPED AS HOME BURNS

Three Others Injured in New York Blaze.

NEW YORK, June 1.—Fire in a tenement house near the Brooklyn end of the Williamsburg bridge took a toll of two lives and resulted in the injury of three persons today.

Breaking out in the ground floor of a four-story structure the flames quickly enveloped the building, trapping Philip Salant, 27, and his wife, Rose, 28, in their bedroom.

Other occupants escaped by jumping from windows or scrambling down the fire escape. Police and firemen aided in the rescue of many.

OHIO MAN, ILL, KILLS HIMSELF

BELLEFONTAINE, O., June 1.—Ill health was believed responsible for the fatal shooting today of Francis Swallow, 76, Ridgway, at the home of his daughter, Mrs. Charles Kerns. Swallow shot himself, it was stated. Mrs. Kerns, who found her father's lifeless body, said he had been despondent because of illness.

Governor is Grandfather Again.

COLUMBUS, O., June 1.—Governor Vic Donahey's fifth grandchild arrived early today when a son was born to Mr. and Mrs. Robert Donahey, of Shaker Heights, a suburb of Cleveland. Robert, formerly a clerk for his father in the governor's office, now is a representative for a bonding company.

LINDBERGH OFF ON ANOTHER HOP

LONG BEACH, Calif., June 1.—Flying a borrowed plane, Colonel Charles A. Lindbergh took off from here early today on another mystery hop.

Altering plans an hour before his departure, the "Flying Colonel" hopped off from the Municipal airport at 5:26 a. m. for an unannounced destination.

He was accompanied on today's flight by Col. Henry Breckenridge, his Major Thomas Lampher, and a pilot of the Municipal field.

CIRCUS TIGERS ATTACK TAMER

BANGOR, Me., June 1.—Cut and torn by the attack of two huge tigers at a circus here, Mabel Stark, tiger tamer, went back into the cage of the beasts for a second time and was struck down by the paw of one of the tigers. Attendants were able to draw her from the cage in safety.

The women slipped as she first entered the cage and in an instant the other huge cat was upon her, ripping at her clothing with his claws. She made her escape after halting the animal for a minute by firing blank cartridges. She was recovering at a local hospital today.

Plan Combined Land, Sea and Air Search In Arctic Wastes for Missing Polar Italia

It has no means of communication with King's Bay.

It was announced here that Roald Amundsen, one of the world's foremost Arctic explorers, and Lincoln Ellsworth, who flew over the North Pole in an airplane, will lead an international relief expedition for the Italia. While it will be international in scope it will be technically a private enterprise as it will be financed by Ellsworth.

It is hoped that the two explorers will be able to start for Spitzbergen in 10 days.

'EVERYTHINGS O. K.'

Radio Reports Show Plane Within 300 Miles of Goal.

HONOLULU, June 1.—Flying true to a radio course throughout the night the crew of the Southern Cross, Honolulu-bound monoplane, sighted land at 6:35 a. m. Island time, they radioed to 6XO, local amateur station.

Escort Planes Take Off. No mention was made of conditions aboard the plane but prior messages had stated everything was going splendidly aboard.

On the basis of the sighting of the island of Oahu, officials at Wheeler field believed the Southern Cross would land within the next hour.

Immediately following receipt of this word at Wheeler field a squadron of army planes took off to meet the incoming birdmen and escort them to their landing field.

Broadcast 1,900 Miles.

SAN FRANCISCO, June 1.—Despite the fact that the Southern Cross, Honolulu-bound monoplane, was approximately 1,900 miles from San Francisco, its short wave radio continued today in direct communication with 6ARD, San Francisco Examiner short wave radio station.

At 5:38 a. m. the station received a message from the plane, saying: "We are calling station in Honolulu, trying to get them on 28 meters. See you later. Everything O. K."

At 6:16 a. m. the plane radioed its position as latitude, 25.20 north; longitude, 151.45 west, less than 400 miles from Honolulu.

300 Miles from Goal.

SAN FRANCISCO, June 1.—The Southern Cross, a four-engine monoplane, 23 hours out from Oakland, Cal., today was nearing the end of the first hop in its ambitious effort to link the continents of North America and Australia by air.

At a. m., the plane was believed to be less than 300 miles from Honolulu—the first objective of the projected 7,800 mile trans-Pacific air journey.

Keeping constantly in touch with both San Francisco and Honolulu by radio, the big plane and its four passengers, was able to keep the world informed of its progress.

VITAPHONE HOUSES OPEN

Movietone, Too, at Ceramic and American Tonight.

Vitaphone and Movietone theatres today.

The Ceramic is featuring Al Jolson, famous comedian, in "The Jazz Singer" for the opening week's engagement beginning today and ending next Thursday, while at the American the dog, Rin-Tin-Tin in "Rinty of the Desert" has been booked for the two-day opening feature, today and tomorrow.

Supporting Jolson in the picture at the Ceramic are May McAvoy, Warner Orlando and Cantor Rosenblatt. Other vitaphone features which will be offered in the opening bill are Eddie Conrad and Marian Eddy, Broadway's favorite comedians, and the New York Philharmonic orchestra, a 107-piece organization.

George Jessel, Martinelli and Will Hayes, "czar" of the movie industry, will be presented in the opening bill at the American. Appearing in the feature picture with the famous German police dog, Rin-Tin-Tin, will be Ardrey Ferris, Carroll Nye and other movie personages.

Vitaphone and movie tone are "pictures that talk." All the world's greatest artists and performers of the opera and concert stage can be heard as well as seen with the aid of these inventions which until recently only the large city theatres could afford. The vitaphone and movietone improvements are part of the extensive remodeling programs announced by the management of the two playhouses.

JUNE 9 WILL BE PLAYGROUND TAG DAY HERE

High School Girls and Boys to Seek Funds.

CLUB WOMEN AID

J. A. Monasky and Miss Irma Jones Supervisors.

Funds with which to maintain the city playground at the corner of Second and Washington streets will be sought by the City Federation of Women's Clubs in the annual "Tag Day" campaign to be conducted here Saturday, June 9.

High school students, both boys and girls, will sell tags, throughout the business district during the day. Members of the executive committee of the club federation, of which Mrs. A. J. Savage is president will be in charge of the campaign.

Cash prizes of \$5, \$3 and \$2 will be presented the three workers who turn in the most money. Headquarters will be maintained in one of the downtown buildings.

J. A. Monasky, director of the part-time school here, has been named playground supervisor. His assistant will be Miss Irma Jones. Opening date for the play lot, sponsored by the women's club, has not been set.

The Tag Day drive had been planned for May 19 but was postponed because of the American Legion's annual Poppy Day campaign.

POTTERS' LEADERS AND WOLL CONFER

President, James M. Duffy and Secretary-Treasurer John D. McGilvray of the National Brotherhood of Operative Potters have returned from New York where they held a conference with Matthew Woll, vice-president of the American Federation of Labor, in an effort to enlist support of the federation in the application of the potters for a hearing before the tariff commission regarding tariff reforms.

Another conference with Woll and other labor representatives will be held in New York within the next month.

CORONER RULES IN BOY'S DEATH

Coroner J. M. Van Fossan, East Palestine, rendered a verdict of "unavoidable automobile accident" in connection with the death of Ralph Watkins, 12, son of Mr. and Mrs. George Watkins, La. TWO IN RACE
County Surveyor Asks
Renomination at
Primary.

Two candidates for the Republican nomination for county offices tossed their hats into the ring today. William S. Foulkes, of East Liverpool, filed for prosecuting attorney and Lloyd C. Kirk, Salineville, announced his candidacy for another term as county surveyor.

Foulkes is the second entry in the race for the Republican nomination for prosecutor at the August 14 primaries. John E. Bauknecht, East Palestine, deputy prosecutor at the present time, having announced his candidacy several weeks ago. Kirk is the only aspirant so far for the surveyor job.

Foulkes is a native of the East Liverpool district, having been born and reared in Calcutta, a son of Mr. and Mrs. Edwin S. Foulkes. Following his graduation from the local high school, he studied law at Ohio State university, where he graduated in 1916. He began the practice of law here the same year. He is now senior member of Foulkes & Stevenson with offices in the Little building.

Foulkes is a veteran of the World war and one of the organizers of East Liverpool post No. 4, American Legion.

Gold Medalist

For the first time the jury of the Salon Des Beaux Arts has awarded its gold medal to other than a French artist or sculptor, Andrew O'Connor, an American, being the winner.

(International Illustrated News)

He has served as chairman of the Legion's child welfare committee in Ohio and is a former vice commander of the Ohio department. He is 35 years of age and the father of three children. He resides in St. Clair avenue, Maplewood.

John A. Noble, Lisbon, deputy clerk of common pleas court, has filed a petition for the Republican nomination for clerk of courts. Mr. Noble is a former resident of Salem.

F. C. Armstrong, Elkton, today announced his candidacy for the Democratic nomination for sheriff. He was the party nominee at both the 1924 and 1926 elections.

How Much There Is for Old and Young to Learn to Do—

The darkest shadows any of us can get under are those a man makes for himself when he gets in his own light, persuading himself to believe that his neglects, mistakes and age have passed him along to a time when it is impossible to be of use to himself, his family and his neighbors.

We must always live —

The wrong that needs resistance,
For the future in the distance,
And the good that I can do."

Face Robbery Count In Police Hearing

Man, 21, and Girl, 16, Arrested by Police for Jewelry and Cash Theft From Clark Avenue Home.

With the arrest last night of Harry Martin, 21 years old, of East Liverpool, and Miss Mabel Newell, 16, of Sixteenth and Commerce streets, Wellsville police claim to have solved definitely the month-old robbery of jewelry and money at the T. C. McClelland home, Seventeenth and Clark avenue, as well as several minor thefts in the city and district.

The young man and the girl confessed early this morning following their arrest to robbing the McClelland home, according to Chief of Police John Fultz, who, with Patrolman Hanlon, placed the pair behind the bars here.

They are scheduled for a hearing tonight before Mayor Wallace L. Fogo and, in all likelihood, will be bound over to the grand jury on a charge of breaking and entering.

Chief Fultz and Patrolman Hanlon placed Martin under arrest at 2 o'clock this morning in East Liverpool and the girl, here, later.

The pair selected the McClelland home, it is said, because of certain advantages in their favor which police did not reveal.

According to Chief Fultz, the two went to the McClelland home late at night. Martin pried open a window, climbed into the house and then unlocked the kitchen door to let the girl in. With the girl doing the "inside work," Martin stationed himself at the corner of Seventeenth and Clark as a "lookout."

Martin and the girl were arrested a week or so after the robbery but refused to provide clues which might identify them with the robbery. Police released them but since that time both have been under almost constant surveillance. Last night Chief Fultz asserts he uncovered certain evidence which prompted their re-arrest and this time, he says, they confessed.

Leaders of the latest school strike have been administered a sound alternative spanking by State Director of Education John L. Clifton. The youths called on the director in the hope of obtaining support for the walkout of students of the high school in New Boston, a suburb of Portsmouth, N.H., suspected to be the toughest principal and superintendent in the state.

Clifton struck the keynote of the day and similar situations when he told the youths that school is more important than an individual. "You attitude," Clifton said, "is un-American in the extreme and does not deserve the support others have given."

REV. R. J. BENNETT WILL CLOSE LISBON PASTORATE NEXT SUNDAY

Presbyterians Will Join
With Christians in
Morning Services in
Honor Retiring Minis-
ter.

LISBON, June 1.—Next Sunday will close more than a three-year pastorate of Rev. R. J. Bennett with the Lisbon Christian church. The First Presbyterian church will dispense with Sunday morning service and, by a vote of its session, will worship with the Christian congregation in recognition of the work of Rev. and Mrs. Bennett in Lisbon. The Sunday school will be conducted as usual at the Presbyterian church.

During Rev. Bennett's pastorate the Christian church has added 100 to its membership, has accepted the support of Mrs. D. F. Snipes as a living-link missionary to Africa and for churches with a membership of 500 or more has taken its place among 50 best missionary givers among the Disciples of Christ.

Rev. Bennett has resigned to enter either Columbia university or Chicago university to work for his Ph. D. degree. He already has his M. A. and B. D. degrees from Yale university, in addition to his college degree from Bethany.

This will mean at least two years of study, including the summer sessions. After completing his university work he expects to offer his services to some college where he will be granted the privilege of preaching on Sunday. He has had four years' experience teaching in college and supervisory work in public schools.

LISBON, O., June 1.—Probate Judge Lodge Riddle today completed arrangements for a large representation from Columbiana county to attend a district conference on child welfare work at Carrollton on June 20. Probably 100 or more will represent the county.

The district is composed of Stark, Columbiana, Jefferson, Harrison, Mahoning, Carroll and Tuscarawas counties.

Foreclosure Case Dismissed.
LISBON, June 1.—The case of the Firststone bank of Lisbon against Laura E. Temple and others, an action in foreclosure, has been dismissed. The costs have been paid and no further record is made of the case.

Mrs. Lucy Vaughn Seeks Divorce.
LISBON, June 1.—Lucy P. Vaughn, through her counsel, Cochran and Crawford, has filed a divorce action in common pleas court against her husband, Harold Vaughn, an automobile mechanic residing at 218 Market street, East Liverpool. They were married Aug. 17, 1923.

Gross neglect of duty is made a ground for the action.

Just Cut It Out!

All you have to do is cut this attractive apron out and bind edges and stitch pockets in place and it's finished. Think of it! You can have the apron of your desire of becoming fabric now, because it will only take you about half an hour to make it and requires only 1 1/2 yards of 36-inch material with 6 yards of binding for the medium size. Style No. 3445 is designed in small, medium and large sizes. Printed sateen, dot motif in cotton broadcloth, striped madras, novelty modernistic print in rayon crepe, and cotton-pique are suggested. Pattern price 15 cents in stamps or coin (coin preferred).

In ordering patterns clip the design shown or order by number. Write your name and address plainly, enclosing 15 cents and mail to Fashion Department, East Liverpool Review. From 7 to 10 days are required for delivery of patterns. For 10 cents additional you can obtain our Spring Fashion Magazine.

RECEIVER ASKED IN LISBON CASE

LISBON, O., June 1.—In the civil action filed against the Hinchliffe Real Estate and Mortgage company, of Lisbon by Desta H. Breneman, common pleas court has granted the plaintiff leave to file a supplemental petition on or before June 11. This case, which went to trial before the court early this week, closed suddenly Thursday when counsel desired to

make certain changes in the original petition. An accounting and a receiver are asked.

Property Transferred.

LISBON, June 1.—Real estate transfers have been recorded as follows: Laura E. Temple to John Fodor, 56 acres, section 17, Hanover township, \$1.

Jesse Cope to William M. Courtney, lot 42, Damascus, \$1,300.
Sarah E. Porter to Nell B. Porter, lot 1589, East Liverpool, \$1.

Woman Granted Divorce.

LISBON, June 1.—On the grounds of infidelity and extreme cruelty, a decree of divorce has been granted Ellen Rockenbauer against her husband, Ellsworth Rockenbauer. The plaintiff has been restored to her maiden name, Ellen Wilekson.

STATE PLANS TWO ROAD JOBS

Order Surveys of Highways in Three Townships.

LISBON, O., June 1.—The state highway department has ordered the county commissioners and, in turn, County Surveyor Lloyd C. Kirk to proceed with surveys and plans for the improvement of the Lisbon-Columbiana and the Elkton-Signal-Rogers roads in Elkrun, Salem and Fairfield

townships. Both are listed in the federal highway system.

The Lisbon-Columbiana highway begins at the "flat-iron" intersection on the Lisbon-Leetonia road, and is paved the entire distance in Center township. A gap in Salem township is to be graded and surfaced.

On the Elkton-Signal-Rogers road, the Kimball church route is to be followed to Signal, and from Signal to Rogers a macadam surfaced road is now in use.

Surveyor Kirk announced today that surveys would be started immediately, as it is the intention of the state highway department and the county commissioners to improve these roads this year if possible.

Completion of these two roads will give the county over 10 miles more of improved highway this year than had been contemplated.

THREE MARRIAGE LICENSES ISSUED

LISBON, June 1.—A marriage license has been issued to Raymond C. Wilkins and Miss Leah Wilkins, a stenographer, and daughter of Mr. and Mrs. C. Claude Wilkins, both of Salem. They are to be married by the Rev. Struble.

Clyde B. Pike and Margaret Lewis, a telephone operator, and daughter of Mr. and Mrs. Roger D. Lewis, and both residents of Lisbon have obtained a marriage license. They were married by the Rev. Beaver of the Reformed church.

James M. Hartman of East Palestine and Miss Eleanor Ward, a school teacher, and daughter of Mr. and Mrs. John S. Ward of East Palestine secured a marriage license and were married by the Rev. Peebles.

100 CATHOLIC CHILDREN OFFER PROGRAM AT MIDLAND TONIGHT

Recitations, Drills and Dances Will be Featured by Presentation Sunday School.

MIDLAND, Pa., June 1.—One hundred children of Presentation Catholic parish will present a program of recitations, drills and dances in the Lyceum tonight at 8 o'clock, marking the close of the Sunday school year.

Receipts from tonight's entertainment and a dress rehearsal given for children this afternoon will be used for the new parish grade school, now under construction. Franciscan Sisters of Atonement, teachers in the Sunday school, are directing the program.

Program will open with a swing drill by little tots, followed by a recitation, "When I'm a Man," by boys. Alice Garland and Dorine Dillon will interpret a Dutch dance, after which girls will give a rainbow dance in vari-colored paper costumes. Altar boys will offer a humorous sketch, "Our First Performance," and altar girls will stage a flower drill.

Anna Kesner will present a Japanese dance and five girls will give a recitation and dance, "Rosemary Time in Ireland." Those who will present the latter number are Rosemary Farnan, Clara Bream, Mary Sheehan, Margaret Carrigan and Nora Pahey. Cross and flag recitations by Charles Bream will conclude the program.

France Continues To Lead World in Alcohol Drinking

PARIS.—France in 1927, as in all previous periods, consumed more pure alcohol than any other country in the world.

Official figures published in 'Le-toutle Bleu' shows that the average Frenchman makes away with fifteen quarts of pure alcohol yearly—that is, before the law. But this means only one-half the story. For besides this acknowledged, taxed consumption, there is an enormous quantity of the liquid made in private stills throughout the country.

The Anti-Alcoholic League reported 778,028 known stills in the year 1917. The number has increased with alarming steadiness, until today the same organization now reports three millions.

There is one wine-shop for every eighty inhabitants in France, a larger percentage than in any other European country. Germany counts one for every 246 persons; England one for every 420 and Sweden only one for every four thousand.

To assist farmers of parts of Australia who suffered from drought or frosts, the government has established a moratorium until February 25, 1929.

CLEVELAND MAN IS SLAIN IN 'BOOTLEG FEUD'

Lawrence Lupo Shot While Riding in Roadster.

CUT BEER PRICE

Victim Was Also Distributor of Slot Machines.

CLEVELAND, June 1.—Police here today were attempting to locate a yellow roadster, said to have been used as the "death car" in Cleveland's latest "bootleg feud" slaying. The victim in the most recent killing was Lawrence Lupo, 43, former prize fight promoter.

Lupo, who police say was a prominent figure in underworld life, was shot to death late Thursday while riding in the yellow roadster, according to witnesses. His body then was thrown to the street, police were told. Five bullets had been fired into the victim's head.

Lupo came to Cleveland from Brooklyn about five years ago. He was known to have been friendly with Joseph and John Lonardo both slain in a bootleg feud here several months ago. Lupo it was said, took over the Lonardo trade following the double killing.

Detectives say they learned last night that Lupo recently had cut the price of beer \$10 per barrel, causing much ill-feeling in bootleg circles.

Possibility of a "slot machine" angle to the slaying also was being investigated by police. Lupo was a distributor of slot machines and was known to have had several bitter quarrels with rival distributors. Last September Lupo shot and killed Ralph H. Myer, another distributor, but was acquitted later on a plea of self defense. Shortly after his acquittal an unsuccessful attempt on his life resulted in part of his face being blown away.

1 DEAD, 1 HURT IN OHIO FIRE

CLEVELAND, June 1.—One man is dead and another was suffering from injuries today, the result of an early morning fire in a West Side rooming house here.

The dead man was identified as Mat Elben, 35. He had been overcome by smoke, dying before help could reach him. William Hubner, 25, is in a hospital seriously burned. Fifteen other persons were driven to the street by the flames.

Six Seamen Drown

(Continued from Page One.)

minutes later she began to settle as water flowed through her holds. Within a short space of time she went to the bottom.

The coastguard set a buoy to mark the spot of the grave of the freight steamer.

One message from the President Garfield stated that the men of the Kershaw were rescued by small boats. Soon after the collision and as the Kershaw was going down and the officers and crew of the Norfolk-bound freight steamer were either clinging to the wreck, were over the side in small boats or were in the water, the men of the President Garfield did yeoman work of rescue with lifeboats.

Victims Below Decks.

Meanwhile, coast guard patrol boats 237, 147 and 281 put out from Woods Hole and two more boats went out of this port to aid in the rescue.

The sea in the vicinity of the collision was searched for several hours by the President Garfield and the coast guard boats. Later the President Garfield started for Boston via the Cape Cod canal.

Those who went out to the scene stated that the President Garfield was not badly damaged.

The missing men, it was feared, were below decks at the time of the crash and were carried to their doom. Messages from the coast guard boats to the coast guard base at Woods Hole stated that search for the missing men was unsuccessful.

The Kershaw was in command of Captain E. S. Brooks. The Kershaw, formerly a passenger vessel, of late years had been in the freight service of the Merchant and Miners' Transportation company. The Kershaw had a gross tonnage of 2,741 and net tonnage of 1,634. She was 282 feet in length, 42 feet wide and 16 feet above the keel. The Kershaw was built in 1897 in Wilmington, Del. Her home port was Baltimore.

Blame Mixup of Signals.

VINEYARD HAVEN, Mass., June 1.—Misunderstanding of signals by the pilots of the freight steamer Kershaw and the passenger liner President Garfield caused the sea crash off the island of Martha's Vineyard early today, resulting in the sinking of the freighter and the loss of from six to nine of the men. This explanation was brought shoreward by those who put out to the scene of the collision, off East Chop, some five miles north of this port.

Both ships were well lighted and the morning was clear and, it was stated, both vessels exchanged signals prior to the smash.

The man guiding the President Garfield probably prevented a larger loss of life by a masterly stroke of seamanship. As the keen edge of the bow of the passenger liner cut into the port side forward of the Kershaw, the man at the wheel of the Garfield held her there for a few minutes to give those aboard the crushed freighter time to escape.

When he broke away the Kershaw was ready to roll on her side. This she did and disappeared in 80 feet of water within the short space of 12 minutes.

SEEKS SOLDIER LOVER OF 1918

CLEVELAND, June 1.—Fraulein Leny Weyand has arrived in Cleveland seeking her soldier lover of World War days. She says his name is Frank Miller, that he was a corporal in the American army of occupation and that he lived either in Ohio or Indiana. She vows she will not return to Coblenz, Germany, where she says Miller proposed to her eight years ago, until she finds him.

1 KILLED, 2 HURT IN AUTO CRASH

WOOSTER, O., June 1.—Jemima Miller, 52, Walnut Creek, was dead today, while Thara Miller, 52, her husband, and Sophia, 21, their daughter, were reported in a critical condition at a local hospital, due to an auto accident last night.

The car in which the Millers were riding drove out of Apple Creek on to the Lincoln highway and was struck by an auto driven by Frank Onesto, Canton, Wayne county officials declared. Onesto, formerly of Wooster, was not arrested.

REPORTS FROM STOCK MARKETS

NEW YORK, June 1.—Buoyant advances in a few of the motor, specialty and railroad stocks at the beginning of trading today reflected the confidence of the speculative district in the return of easier money market conditions next week. The expansion in speculative borrowings was only \$13,000,000, all of which was supplied by the banks outside of New York.

Strength and activity of White Motors, Mack Trucks, Packard, Murray Corporation and Briggs Manufacturing was attributed to merger prospects though no light was shed as to the possible alignment of these concerns. Briggs and Murray may be attached to the Chrysler-Dodge combination, Mack Trucks is believed to be negotiating for White Motors, and Packard may acquire one or more of the smaller companies.

Montgomery Ward continued the spectacular market movement that has been a feature of the market since the turn of the year. Sears Roebuck, Kroger Grocery, and Woolworth joined the advance. Radio mounted nearly 6 points to a new high on rumors of a contemplated split-up of the stock at five-to-one, with a cash dividend of \$1.50 to \$2.00 a share annually on the stock as reconstructed. New York Central sold up about a point on announcement of the new stock offering at par for stockholders, which is equivalent to a 10 per cent increase in the annual cash dividend on the common stock.

'COXEY'S ARMY' PLANS NEW TREK ON WASHINGTON

Unemployed May March Again to Capital.

WILL CALL VOTE

General is Peeved Because Congress Killed Bill.

WASHINGTON, June 1.—A new march on Washington of "Coxey's Army" of the unemployed may be made after all.

Gen. Jacob S. Coxey of Massillon, O., who recently stood on the capitol steps proclaiming a victory for his "free money" crusade after 35 years, has found that the celebration was premature.

After winning a favorable subcommittee report on a modified form of his bill to provide money at the cost of printing he saw the measure smothered in the banking and currency committee and today went on the warpath.

Prying loose the secrets of the committee room, Gen. Coxey declares that he found out the names of all who helped to kill his reform.

Before the bill was considered, the "general" announced that if congress failed to act he would take a referendum among 5,000,000 unemployed to determine whether the march would be made.

In a report to his "constituents" he said that he would be on the job when congress convenes and is considering the question of a referendum for the march.

"The government printed for the bankers during 1927 federal reserve notes amounting to \$2,162,674,000 at a cost of \$2,694,840—or an average cost of 59 cents per \$1,000," said Coxey. "Try to borrow some of it, and see how much per \$1,000 it will cost you. My bill would extend this privilege to the people."

TODAY

(Continued from Page One.)

Dodge automobile merger. One or two more combinations and four or five concerns would make all the cars. A thoughtful publisher says, "That would be bad for advertising." But it might not be.

TODAY's task is to make a "two-car family" of the "one-car family," and of the "two-car family" a "three-car family."

That can and should be done, but it calls for advertising, which is auto-suggestion in the mass.

Twenty-four million automobiles are running in America. At least 10,000,000 more are needed. That calls for intelligent advertising.

ON the tomb of grand old Baron von Stein is written: "The last of his knightly race, which had ruled on the Lahn for seven hundred years; humble before God, high hearted before men, an enemy of untruth and of injustice."

You should read the chapters in his life in Andrew D. White's "Seven Great Statesmen."

JUSTICE in New York has written a different epitaph for the famous Whitmore gang. Nate Weinman, last of that tribe, which ruled in various slums, will go to jail for about 40 years. Richard Reese Whitmore, the leader, was hanged in Baltimore not long ago. Milton "Shuffles" Goldberg is in jail to stay 20 years. "Baltimore Willie" Unkelbach and Leon and Jacob Kraemer are with Goldberg in Dannemora Prison serving 40-year sentences.

These sad facts are printed to let young men know that crime really does NOT pay.

CONSTANTINOPLE reports dissatisfaction with the new Turkish marriage law, which limits each man to one wife, officially.

Similar dissatisfaction is indicated in divorce court proceedings here. Our civilization has changed "only one" to "only one at a time."

DEATH MYSTERY QUIZ MARKS TIME

YOUNGSTOWN, O., June 1.—Police Chief J. J. McNicholas, working on the theory that one of many persons closely watched will break under the strain, today expressed confidence that the Beatrice Rosenbaum mystery will be solved. Beatrice, aged 10, disappeared from her home here May 14 and was found dead May 27, near Salem.

Detectives in Salem were checking several automobile clues today.

Authorities also are investigating numerous tips and are now working on a theory that two persons took the child to the ravine where she was left to die.

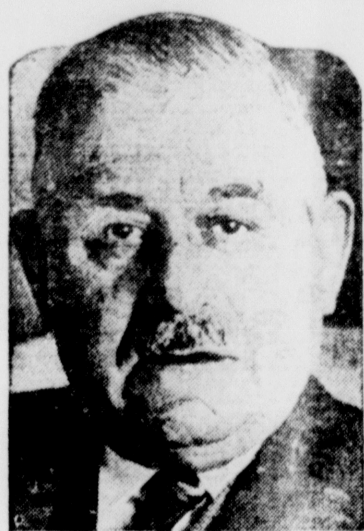

An arrest is expected to be made in the case shortly, it was said.

OHIO MURDERER TO DIE JUNE 15

COLUMBUS, O., June 1.—The Ohio supreme court today announced that it had fixed June 15 as the date for the electrocution at the Ohio penitentiary of John Rucker, Cincinnati, Negro, convicted of murdering John Franken, Cincinnati policeman, on July 4, last, at Cincinnati.

The supreme court yesterday rejected Rucker's appeal from the death sentence imposed by the Hamilton county courts.

TRUCK UPSETS ON HILLSIDE

W. C. Van Fossan's Machine Crashes in Florence St.

Ford truck, loaded with ice, belonging to W. C. Van Fossan, Pleasant Heights ice dealer, crashed down Florence street and overturned on the hillside between West Eighth and West Ninth streets today.

Van Fossan had parked the machine in Florence street while he was making a delivery. When the brakes were released, the truck started its wild dash.

The front end of the truck was damaged. McElvay Brothers' wrecker hauled the machine to a garage for repairs.

Ford sedan, belonging to Frank Gallagher, 49 West Fourth street, was damaged when it struck a sewer drop in Lisbon street near the St. Alysius cemetery early this morning. Gallagher was following the curb down the hill because of the fog and failed to notice the drop.

Rear wheel on the Studebaker touring car owned by H. H. Roller, Wellsville railroad worker, was demolished when the automobile was struck by a west-bound Newell-East Liverpool street car at the intersection of Jefferson and West Sixth streets yesterday. Roller was unhurt. The car was taken to the McElvay garage.

OPEN RESTAURANT HERE SATURDAY

The American restaurant, Market street, recently taken over by Gus Alexander and George Jameson, will be reopened for business tomorrow.

The restaurant has undergone extensive remodeling during the last three weeks. The interior has been repainted and redecorated, while the kitchen has been refurnished.

An 18-stool lunch counter will be installed.

The restaurant will be open day and night, serving sandwiches, lunches and meals.

Almost any girl would be happy—inconceivably so—to win beauty honors at school, but Miss Edmar Gardner of Jackson's College not only walked away as the most pulchritudinous of her classmates but was voted the wittiest as well. In addition she was awarded a teacher's fellowship of \$1,000 at Tuft's College.

PICK BALLONS FOR DETROIT RACE JUNE 30

Army No. 1, Detroit News and American Business Win.

LAND IN SOUTH

Two Men Injured During Storm are Recovering.

PITTSBURGH, June 1.—The United States army balloon No. 1, the Detroit News and the American Business Club in the national elimination races here, winners of the first three places, will represent the United States in the international balloon race in Detroit June 30.

Despite the fact that no official winner of the 14-foot elimination race will be named until barographs are submitted to the National Aeronautical association and checked, the army entry, which landed at Weems, Va., early yesterday, is the apparent victor.

The Detroit News and American Business Club, Akron entry, landed at Widewater, Va., and Commander Postoffice, Va., respectively, after first being reported down in the storm near here which killed two contestants and injured two others.

The condition of James F. Cooper, aide in the balloon City of Cleveland, who was struck by lightning while aloft, is improving according to word from Westmoreland hospital, Greensburg. His right leg and left arm are paralyzed, and he suffered burns.

W. T. Van Orman, pilot of the Good-year V, who suffered a fractured leg when lightning killed his aide, Walton Morton, also is reported in favorable condition.

The body of Lieut. Paul Evert, pilot of the army No. 3, was returned to his home in Akron. He was killed by lightning.

Flyers Sight Land

(Continued From Page One.)

working perfectly" was the reiterated message of confidence that came from the plane's radio at frequent intervals through the night and early today.

The plane's commander, Captain Kingsford-Smith, reported by radio that he hoped to make Wheeler field, Honolulu, by 10 a. m.

As the plane's load of gasoline diminished its speed was picking up although there were indications that the pilots were conserving their fuel by keeping a steady speed rather than attempting to establish a speed record.

Honolulu Awaits Airmen.

HONOLULU, T. H., June 1.—As the expected hour of arrival approached early today, an air of suspense pervaded the ever-swelling crowds who were waiting to greet the four daring aviators who were winging their way to Hawaii on the first leg of an air journey from the American mainland to Australia.

Many of the air enthusiasts who flocked to the air field had remained all night in especially provided bleachers and pavilions, virtually devouring every morsel of news that told of the progress of the Southern Cross.

Gaining speed with its gradual diminution of weight, the great plane had put nearly three-fourths of its 2,408 mile trek behind it and was humming along toward Hawaiian shores, its three motors purring steadily and its radio transmitting stream of messages, telling of its progress.

"Fine Trip," Says Message.

If it maintains its present rate of speed, the Southern Cross is expected to come to earth at Wheeler field at approximately 6:25 a. m. (island time) today.

At 11:03 p. m. last night a message from the fliers was received here, containing the cheering words:

"Fine trip. Flying right along." At this time, the position of the ship was estimated at approximately 1,350 miles out of San Francisco.

At 8 o'clock last night, the steamer Makaloa, approximately 1,521 land miles out of San Francisco, radioed that it was in communication with the Southern Cross.

"All well," the message from the liner stated, "Plane trying to get Wheeler field radio beacon."

Army Planes to Escort Flyers.

Intermittently came reports that the giant craft had lost touch with the army air beacon, stretching from Crissy field in San Francisco to Wheeler field, but this caused a minimum of anxiety over the safety of the four flyers as messages were received saying that communication with the beacon had been re-established.

Elaborate preparations were being made by army and navy officials for the reception of the crew of the Southern Cross, Captain Charles Kingsford-Smith, commander of the flight, Captain C. T. P. Ulm, co-pilot; Lieutenant-commander Harry W. Lyons, navigator, and James Warner, radio operator.

At 6 o'clock this morning, it was planned to send an esquadron of army planes from Wheeler field to meet the Southern Cross and escort it to the field. The army planes will proceed in a northwesterly direction.

Two Americans Aboard.

SAN FRANCISCO, June 1.—Aboard the Southern Cross are Captain C. E. Kingsford-Smith and C. T. P. Ulm, Australian co-pilots; Harry W. Lyons, navigator, and James W. Warner, radio man. The latter two are Americans. Captain Kingsford-Smith was at the controls when the plane took off.

Navigators followed the course of the craft from the regular radio messages, and described it "like an arrow from the string of a master bowman." At the 100-mile stage—at

MEN RETURNING TO SCHOOL JOBS

WASHINGTON, June 1.—Men are gradually returning to the public school teaching profession, the interior department announced today.

Whereas in 1920 only 14 per cent of the teachers were men, in 1926 there were 17 per cent.

The decrease of male teachers during the last 60 years, the department said, apparently resulted from "small salaries paid to teachers in general and larger opportunities for advancement offered by commercial and industrial pursuits."

The 200-500-1000-throughout yesterday and last night the "Southern Cross" flew a true course, boomed across the limitless sky as straight as the trans-Pacific cable on the floor of the sea below.

The constant radio communication maintained by the craft, amazed the world. It was heralded as the best demonstration of its kind in aviation history. The while experts marveled at this, they commented on the splendid navigating ability shown by the fliers.

Messages From Flyers.

At 1:05 this morning the following message from the plane was received by the San Francisco Examiner station:

"Received radio bearing from steamship Molokai at 12:50 a. m. Pacific coast time. Gives us fixed on latitude 29 degrees 35 minutes north; longitude 144 degrees, 45 minutes west."

This meant that the Southern Cross was at that hour 1521 land miles from San Francisco.

Within approximately six hours of their goal, the plane transmitted a message addressed to 6ARD, San Francisco Examiner station, stating:

"Our position is latitude 26.50 north; longitude, 148.55 west. Altitude 4,500 feet. Speed 70 knots. We are due at Wheeler field about 10 a. m. (Pacific coast time) Southern Cross."

The message was received at 4:10 a. m.

At 4:26 a. m. came a message to 6ARD from Captain Kingsford-Smith, reporting an altitude of 6,000 feet.

"Everything fine, cherio," the Australian war ace wirelessed.

Experience One Thrill.

Only once did they experience the thrill that comes to those who defy death and glimpse defeat. Kingsford-Smith told about it in an exclusive message to the San Francisco Examiner and International News Service.

It came shortly before 8 o'clock last night. Nine hundred miles of sea was behind the plane, before it 1500 miles of darkening water. Kingsford-Smith looked at his gasoline gauges. They showed the fuel supply diminished far beyond the expected point.

"Then we thought," he said, "that our gas would not hold out." Anxious minutes followed. And the "we" found it was all due," he continued, "to failure of the gauges to register. And all is O. K."

The fliers' confidence of success was mirrored in a message, addressed to Governor Farrington of Hawaii by the fliers and intercepted here by station Gard of the San Francisco Examiner at 3:22 a. m.

"To Governor Farrington," the message stated, "Coming to see you on the Southern Cross."

Another message, picked up by the station shortly before, and addressed to Emma Myers of San Francisco said:

"To Emma Myers: Just passed over steamships Molokai and Manoa. All O. K. Seven hundred miles more to go to Honolulu. Southern Cross."

At 1:50 a. m., the tidings came to San Francisco from Honolulu, saying that radio communication between Hawaiian stations and the huge airship had been constant since 3 o'clock yesterday afternoon.

How to make Strawberry Jam keeping the berries whole and plump

Your jam will taste enough like fresh strawberries to use in strawberry shortcake this winter if you make it this easy, short-boil way with Certo.

Select about 2 quarts small sized fully ripe berries. Large berries may be used for Crushed Berry jam. (Recipe in booklet which comes underneath the label of each bottle of Certo.) After hulling, weigh out 2 lbs. berries. Measure 7 level cups (3 lbs.) sugar into small separate pan. Spread about one quarter of the berries on their sides in single layer on a platter and gently press each berry to a thickness of 1/4 inch with bottom of tumbler or small bottle. (This leaves skins nearly whole but breaks fruit inside and allows boiling sugar to soak into berries quickly.) Put layer of pressed berries into large kettle and cover with layer of sugar. Do this with all the berries, placing layers of pressed berries and sugar alternately in kettle, putting balance of sugar on top. Add juice of one lemon. This addition gives a quicker set, keeping the fruit evenly distributed in the jam.

Let stand overnight or at least 5 hours, so that part of the sugar will be dissolved and mixture can be stirred and cooked without breaking up the fruit. Use hottest fire and stir constantly before and while boiling. Bring to a full rolling boil and boil hard for 3 minutes, remove from fire and stir in 1/2 cup Certo. Skim and stir constantly for just 5 minutes after taking from fire to cool slightly, which prevents fruit floating. Then pour quickly and cover hot jam at once with hot paraffin wax. Suggestion: Two glasses of excellent jelly may be ladled off from the clear syrup, before filling the remaining glasses with the solid whole fruit.

The short boiling time, possible only with Certo, prevents the loss of delicate flavor and the darkening in color which used to occur during the old long boil. It also gives you a much larger amount of jam, since you save the large quantity of juice which used to boil away.

Recommended by Sarah Field Splint

Certo is the natural jellifying substance of fruit, refined and bottled. Miss Sarah Field Splint, Editor, Department of Foods and Household Management, McCall's Magazine, calls it "one of those modern aids to housekeeping which no woman should willingly do without."

Get Certo today from your grocer. A look of "never-fail" recipes for unusually delicious jams, jellies and marmalades comes under the label of each bottle.

ANNIE LAURIE'S TIMELY ADVICE

DEAR ANNIE LAURIE:

Here is the problem I wish you to solve for me.

I am in love with one of my childhood pals and he loves me in return, but here is the part I can't understand. Does being in love and yearning every moment of the day for this boy make me exactly happy? No, positively no. I hate myself for falling in love. I make life miserable for my family as well as Bobby and myself. Perhaps you will say I don't love him, but I do. There is nobody in the wide world to take his place, and still I don't want to love. My school work is finished, although I am only eighteen and I haven't any-

thing planned for the future, but I just can't stand the idea of loving a boy. Yet I am in Heaven when he is near one moment and the next I detest myself for being so weak. Sounds silly, I'm sure, but it is true. Please advise me as quickly as possible what to do.

"I LOVE AGAINST MY OWN WISHES."

"I LOVE AGAINST MY OWN WISHES": You silly child! Why rebel against Love? Don't you know that it is impossible for you to will yourself in or out of love? Don't you know that it is the most natural thing in the world for a girl of your age to be in love? If you spend less time mourning over the fact that you are in love, however, and more time in planning your future, it might be wiser. After all you are very young, too young to be thinking of marriage, and marriage, after all, is the logical outcome of love. So go about with your friends and enjoy yourself, and in addition, plan some practical way of making use of your leisure time. But don't throttle love. It's a natural but noble emotion.

DEAR ANNIE LAURIE:

I am a girl in my teens. I am engaged to a young man two years my senior. He says he loves me, but I don't love him. Do you think that if I should marry him I could ever learn to love him?

READER.

READER: My Dear, you would be doing both yourself and your fiancé a great injustice were you to marry him when you are not in love with him. If you are sure that this is indeed the case, break off the engagement with him in the kindest manner possible. But do not for the sake of his present happiness sacrifice your and marriage, after all, is the logical outcome of love. So go about with your friends and enjoy yourself, and in addition, plan some practical way of making use of your leisure time. But don't throttle love. It's a natural but noble emotion.

ANTI-HOOVER FORCES HAPPY AS GOFF WINS

Revives Hope That Secretary Can be Stopped.

"DEFEATIST" TALK

Hoover Managers Claim Six West Virginia Votes.

WASHINGTON, June 1.—All hands claimed a measure of victory today in West Virginia's presidential preference primary.

The "allies" against Herbert Hoover were discouraged over his defeat by Senator Goff, favorite son candidate, by a margin estimated at between 12,000 and 15,000. It revived their hope that the secretary of commerce, who has amassed the highest delegate total of any of the candidates, can be stopped at Kansas City. They plan to press the "defeatist" talk against Hoover by declaring that West Virginia, following his Indiana defeat, shows he is not the vote-getter his friends proclaim.

Hoover managers refused to be greatly discouraged, claiming that he will have at least six of the 19 West Virginia delegates. The result is not binding upon the delegates. They declared his showing was satisfactory inasmuch as he ran well against a favorite son backed by a formidable state machine. They pointed out that history has recorded few instances where an "outsider" has triumphed over a native son in such contests.

Gov. Al Smith of New York came out of West Virginia in a strategic position by virtue of his victory over Senator James A. Reed of Missouri by between 5,000 and 10,000 votes for the Democratic preference. Reed has been behind in every contest in which he faced Smith.

PLAN ADDITIONS TO PHONE SYSTEM

Extensive additions and improvements will be made to the telephone system of Weirton as a result of appropriations amounting to \$52,000 which were made recently by the Chesapeake and Potomac Telephone company of West Virginia.

The authorization of the latest appropriation brings the amount for such work to \$125,450. New poles, new guy wires 66,000 feet of additional cable, extension of the system into the suburban districts and a general rebuilding of the system that will eliminate miles of open wire from the streets, is the work to be done.

COMMISSIONERS CANVASS VOTE

Vote cast in the county at the primary election Tuesday is being canvassed today by the county court at New Cumberland. The closest race was that between Brady Seavers and John T. Allison for constable in Grant district. Seavers, on the face of unofficial returns, was returned a winner by two votes.

Council to Meet Monday. Council will meet next Monday night in the new municipal building, Fourth street and Carolina avenue. Session will be given over to the transaction of routine business.

Gas in Stomach Hurts the Heart

Thousands of Cases of Heart Failure Are Caused by Acute Indigestion, Says Medical Writer.

Gas pressure from sour, acid, upset stomach is not only nauseating and highly uncomfortable but some day it may prove fatal.

When your meals are followed by bloating, a feeling of fullness or pressure, shortness of breath and pains around the heart, you may be sure that the acid condition of your stomach is producing a GAS that is pushing upwards and crowding your heart. That's the reason for the shortness of breath and sharp pains.

Whether young or old, the presence of stomach gas is truly serious and should always be given prompt and careful attention.

To quickly banish gas, cleanse and sweeten the stomach, neutralize the acidity—nothing is better than the daily or "as needed" use of ordinary Bisurated Magnesia. It gives almost instant relief.

Any good druggist can supply Bisurated Magnesia, in powder or tablet form, at very small cost—but be sure you get BISURATED Magnesia—recommended by Doctors and Druggists throughout the civilized world for more than 15 years.

"I Wish We Could Get Out of Debt"

Many families voice this complaint, month after month, and yet keep right on saying "Charge it!" instead of, "I'll pay for it now."

Being free from debt, and able to look the future squarely in the face, is a big factor in success. No one does good work when they are worried about over-due payments, and if unemployment comes it can be faced much more easily when there are no bills coming in.

That is one of the most important ways a J. C. Penney Company Store serves the community. We can save you a small sum on every purchase, and keep you out of debt at the same time.

Laughlin, K. T. K., Battle To 3-3 Tie; Turk Nash Beats Chester

Potters on Even Terms In Eight-Inning Clash

Mizner Goes Route for Katies; Fowler Club Ousts Rileyites in Scrap for Second Place; Score is 7 to 5.

JOHN FOWLER'S Turk Nash club moved into second place in the first half City League race by a margin of 15 percentage points last night as a result of a 7 to 5 victory over Chester.

"Sonny" Deshler and Ray Wilde opposed each other on the mound and although Deshler's offerings were hit harder than Wilde's benders, the latter was lacking in control in spots, issuing six free tickets to first. Three of these passes were converted into Turk Nash runs.

Deshler was nipped for eight bingles, the Chester swatters slugging his delivery hard in the third and seventh frames. At the same time Sonny refused to permit any of the rival stickers to go to first without a hit, and he breezed six. In addition, his mates behind him gave him gilded support, similar performance being lacking on the part of the home club's defense.

Evans Opens With Triple. Chester opened the scoring when Johnny Evans first up, slammed one down through second for three bases and hoisted it home when Deshler delivered a wild pitch with Greene at the bat.

The Motors got a runner around in the second. Bailey, first up, walked. Watson was safe at first and Bailey at second when Greene's throw went wide to first on Watson's rap. On Auderhelde's hit down the first base line, Wilde nipped the runner at the initial bag and threw to Evans to get Watson at second. Bailey, who reached third on the play, scored on a passed ball.

Two more Turk Nash runners crossed, first up, singled to right and cled the paths in the third. Ted Hunsel scored on Deshler's double to left. Weber flew out to Rummell and Deshler was caught at third. Sayres walked, pilfered second and scored on Mundy's two-bagger.

Chester evened the count in the third. Rummell started things by lifting the horsehide out over the pasture for a homer. Wilde crashed one for three sacks and scored on Evans' single.

Motors Regain Lead. The visitors went into the lead again in the fourth. Watson walked and moved up a notch on Auderhelde's sacrifice. He reached third as Wilde threw Godwin out at first and scored on Hunselman's single to right. Another Turk Nash tally was registered in the sixth and two more in the seventh. Bailey opened with a two-bagger to center and reached third as Greene's peg stopped Watson at first. Bailey scored on a passed ball. In the seventh Weber singled to right, stole second, reached third as Connors threw out Mundy at first and scored on Bailey's single. Bailey scored again in the eighth on a throw to the bag went into middlefield and the runner finished the circuit on the throw-in.

Riley's club rallied in the seventh but the best they could get was two, which was still two short of knotting the count. Rummell doubled to right. Wilde drove through short, Rummell scoring and Wilde reaching second on the play at the plate. Wilde was safe at third and Evans beat out a hit to Sayres. As Evans was called safe, Wilde struck out for home and scored ahead of Mundy's peg.

With a triple and two singles in four trips up, Johnny Evans led the sluggers for the day. Bailey and Hunselman, with two apiece, were the leading clubbers for the winners.

RECREATION LEAGUE

The Y. M. C. A. defeated the Academy Billiards, 6-4, at upper Columbian Park. The Billiards had all the way until a ninth inning rally of the "Y" pushed four runs over the pan. Both Hancock and Wurzell pitched good ball.

Smith News defeated the Newell Merchants at Klondike, 3-2. In a pitching duel between McKee and Laneve. The News outfit collected eight safeties and Newell seven.

In a regular Dick Merriwell thriller that kept the cash customers glued to their seats and twanging their vocal cords to the bitter end, the Homer Laughlin and K. T. K. clubs of the City Industrial circuit battled to a 3-3 deadlock in eight innings of competition last night at Columbian park. It was the first extra-inning contest of the season, the usual custom being to halt proceedings at the end of the seventh.

Memories of the baseball duels of many years ago between the Katies and the West Virginia Laughlin plant stirred in the minds of Veteran potters on various occasions as the two clubs scrapped for every advantage.

As early as the third inning visible manifestation of the keenness of rivalry between the pair was evident in a fuss that brought about the banishment of a Laughlin infielder. Middlefielder Crawford, who had singled, attempted to steal second. Coleman took the catcher's throw and Umpire Hall waved Crawford out.

About half the Laughlin contingent protested the decision vigorously and Bill Merchant, one of the main cogs in the visitors' infield cordon, remained out of the game for protesting too vigorously.

Laughlin Lineup Shifted. When hostilities, in a baseball way, were resumed, Digman, who had been playing in left, went to first base; Watson, who had started at short, moved over into the pasture; and Chappie Finley, who was nursing an ankle he injured in the Wellsville game Tuesday night, hobbled out to his usual position at short. From there on Chappie managed to hobble four put-outs out of the opposition and limped around the keystone corner for four assists which was quite a good day's work.

Laughlin got off to an early start, scoring a run in the opening frame. Crawford led off with a slashing double to left and counted on successive sacrifice hits by Simcox and Digman.

The Katies knotted the count in the second. After Kinsey had popped up to Stanley, Withrow laced out the Katies' first hit of the game, a single through second and scored on A. O'Brosky's long drive to middle. O'Brosky going to second on the throw-in.

Laughlin made the count 2 to 1 in the fourth. Watson flew out to left and Bubbin popped out to Herbert at third. Stanley walked and Randall also drew a pass. Justice's single sent Stanley across the plate and Crawford's long fly to Kinsey retired the side.

A Laughlin victory appeared certain in the fifth when another run crossed. Simcox laced out a two-base blow to middle and counted on successive sacrifices by Digman and Finley.

Hall Starts K. T. K. Rally. Lee Hall started a K. T. K. rally in the sixth that produced two runs and knotted the tally. Hall's single was followed by another single by Kinsey. Withrow drew a walk, filling the sacks. Trap O'Brosky fanned, but brother Andy lifted one out to Crawford in middle. Hall counting on the sacrifice. And then brother Jack O'Brosky was sent in as a pinch hitter for Wooley. Jack came through with a Texas leaguer over second, scoring Kinsey, but was caught at second on Mizner's rap to Stanley.

Digman went to the mound in the seventh and finished the game. Bubbin going to first and T. Mosser to right. Digman gave up one hit, a single by Trap O'Brosky, in the latest frame. And then brother Jack O'Brosky was sent in as a pinch hitter for Wooley. Jack came through with a Texas leaguer over second, scoring Kinsey, but was caught at second on Mizner's rap to Stanley.

YANK NET HOPES REST WITH WILLS

PARIS, June 1.—America's hope of capturing any tennis laurels in the international hard court championship tournament rested today upon the sturdy shoulders of Helen Wills. As the result of the defeat yesterday of Francis T. Hunter and Miss Penelope Anderson, all the Americans were eliminated with the exception of Miss Wills.

Miss Wills, who had a day of rest yesterday, was in fine form today. She appeared confident but would make no forecasts.

in left field in the seventh. Racing up and down the furrows in the track at the extreme end of the lot, he leaped into the atmosphere to spear with one hand Simcox' hard drive that was headed straight for the billboard.

Supporters of both teams gave him a big hand on it.

And Kenneth Stanley, young second sacker for Laughlin, was no less deserving of an ovation or two for his work around the keystone bag. He had two putouts and two assists, reeling off a play or two that would look good on any diamond.

Bob Withrow, high school boy, led the K. T. K. offensive with two singles and a base on balls in four times up. Crawford smacked out a pair of safeties for the Newell Potters and turned in four putouts in middle.

Mizner went the route for the Katies and permitted only six safe walks. Justice, on the mound for the visitors, allowed eight in his six innings of work, but kept them pretty well scattered except in the sixth when three were bunched with a base on balls and a sacrifice to score two runs. Both pitchers were given excellent support.

MIDLAND SOFT BALL

Mackintosh-Hemphills again erred their way to defeat behind the steady pitching of Deems last night, when the Service department took them over on a 7-4 count. Servers played heads-up ball, finding advantage in every miscue made by the Macks. Manager Wain of the Servers displayed some brilliant work at third, while Skellar made 13 putouts without an error on the initial sack. Halbert, McGorry and Llewellyn each knocked out two hits.

Back Bay Boys Face Real Test

Reds Will Try Boston's New-found Strength.

By Les Conklin.

NEW YORK, June 1.—Just how much the managerial acumen of Rogers Hornsby and the acquisition of George Sisler has helped the Boston Braves will be determined in the Boston-Cincinnati series, starting today. The Back Bay boys are sporting a winning streak of four straight games, but the victims of the spurt were the Phillies, an aggregation hardly capable of testing Boston's new-found strength.

Since his appointment as manager, Hornsby has been on a home run spree and has taken the lead in the National League batting race. Sisler, with his sinus trouble apparently cured, has been batting over .300 and showing his old-time speed on the base paths. The two stars, formerly rival gate attractions in St. Louis, apparently have been spurring each other to greater efforts.

Yesterday each collected three hits, including Sisler's first homer of the season, as the Braves treated the Phils to a 9 to 4 shellacking.

Pittsburgh's 3 to 2 victory over St. Louis came just in time to save the Bucs from yielding sixth place to the Braves, and ended the Pirates' losing streak of six straight games. Earl Smith's homer, Paul Waner's triple and Wright's single broke up a pitching duel between Hill and Haines.

Herb Pennock of the New York Yankees turned in one of the best pitching performances of his career. The veteran southpaw held Washington to four hits, one a scratch, and blanked the Senators, 4 to 0. He did not walk a man. Babe Ruth contributed a triple and his 19th homer.

Buster Gehrig was chased out of the ball park for the first time in his career for protesting a decision. He was not missed, however, as his understudy, Cedric Durst, walloped a homer.

The fast-stepping Detroit Tigers moved into fifth place ahead of Boston by outslugging Cleveland, 9 to 5. The Bengals have downed the Indians three times in succession.

After the White Sox had trimmed the St. Louis Browns by a 7 to 2 score, the Browns took the nightcap, 2 to 1, in a battle of home runs. Clancy and Manion hit for the circuit with none on base and Schulte's homer in the tenth settled it. Gray and Adkins each yielded but five hits.

Other teams had an off day.

'Joy-Ride' Nat On Olympics', 1928 Schedule

Robertson Lays Down Law for Yankee Athletes.

By Davis J. Walsh.

NEW YORK, June 1.—Mr. Lawson Robertson, head keeper of the trained athletes and other animals that will go for a European showing this summer, wishes to announce today that the joy ride will not be a regularly scheduled event this year on the Olympic program at Amsterdam. At least, said he, there will be no American participation in the contest and I know his assertion will come as a blow to our hope of getting recognition at an interesting and highly specialized form of competition. A few of the facts at Paris in 1924, as a matter of fact, gave indications that it would be ripe for the international championship, with a little practice. So they practiced assiduously. It seems, however, that Mr. Robertson, in checking back over his tally sheet, noted that the international olympic committee had allotted exactly no points to the winners in this event. So, much as he regrets the circumstances from the standpoint of ethical development, or something, he has decided that American entries can be withdrawn, forthwith, without affecting our success, except maybe for the better.

For one thing, the ringmaster is all for uplift this time and every vice will be required to give an account of its innocent wanderings in a strange land. For another, the change of venue, it seems, will just about achieve Mr. Robertson's purpose automatically. The shift in locale from Paris to Amsterdam, he intimates, will be like walking out on Galli Galli to hear a trombone recital in the Bronx.

Incidentally, I note by the census that Amsterdam has a matter of 750,000 people and it is my judgment that when you get as many as that gazing excitedly at a canal, the effect has a rather severe reaction upon your tendency to grovel in the nearest horse trough. Maybe it will be all for the best, at that.

It is suspected, anyhow, that regulations will succeed even where Amsterdam fails. According to Mr. Robertson, each athlete is to be presented with a pamphlet, with which he may speed the leisure hours. It will tell him in great detail exactly what he is not to do. The lads will be quartered on a boat in mid-stream.

FAVOR LOUGHRAN IN LATZO BOUT

NEW YORK, June 1.—While promoters were battling over his services today at the boxing commission offices, Tommy Loughran was preparing to weigh in for the second time after a two-day postponement of his title match with Pete Latzo. The light-heavyweight champion is a 3 to 1 favorite to defeat Latzo in their fifteen-round bout tonight at Elberts field, Brooklyn.

Both boxers held their fighting edge by exercising in local gymnasiums yesterday. Neither did any boxing. After his final workout Loughran weighed 173 1/2 pounds. Latzo is several pounds below the light heavy-weight limit. He scaled 169 1/2 last Wednesday.

Boasts Two Winners

DEAN LUCAS PAULINE GRAY

The little town of Congress, Ohio, is justly proud of its two young citizens. Miss Pauline Gray is back from Washington with the second prize in the national spelling bee, and the same school sent Dean Lucas to Washington last year to win the first prize. This is a unique record for any town to hold. (International Illustrated News)

OHIOAN LEAPS TO HIS DEATH

R. E. Collins, Cleveland Politician, Ends Life.

CLEVELAND, June 1.—Richard E. Collins, 46, well known Cleveland politician, secretary of the county Democratic executive committee, is dead today. Collins leaped from the Detroit-Superior high level bridge here late Thursday, according to witnesses. His body was found on the Erie railroad right of way, 125 feet below the bridge. Despondency over the recent death of his mother was believed to have led to the fatal leap. Collins played a prominent part in the Harry L. Davis charter amendment fight here. He sponsored a return to the mayorality system of city government.

Open Summer School Here Monday Morning

Studies of Third to Eighth Grades Will be Taught in Central Building.

A summer school at which studies from the third to the eighth grade, inclusive, will be taught, will open in the Central building, West Fourth street, Monday morning. The school is for elementary pupils, who failed to make passing grades during the past term. It will be in charge of A. C. Moore, principal of the

Sixth street building, and Miss Gladys Chamberlain, principal of the Klondyke school. The enrollment is expected to reach 100. Classes will meet from 8 a. m. to 12 noon daily for a period of eight weeks. The school will be under the supervision of Superintendent of Schools C. S. McVay and the board of education. Examinations will be conducted at the end of the course. Miss Agnes DeTemple, elementary school teacher, will conduct a kindergarten in the Sixth street building, beginning Monday. The school is for children from four to six years of age. Sessions will be held from 9 to 12 a. m. only.

Blue Laws Bring Trouble to Ball Clubs in Florida

TAMPA, Fla.—Charged with violating Florida's Sunday "blue laws" 18 players and two managers of the Tampa and Savannah baseball clubs of the Southeastern league, will go on trial here June 12. The men are charged with participating in a baseball game here on April 29. According to present plans, all 20 of the baseball men will be tried jointly on a single count charging violation of the state law prohibiting baseball games on Sunday. The players are all out under bonds of \$100 each pending the trial. The two teams are scheduled to meet here June 12 and therefore all will be in attendance at the trial.

Belgian to Cross Ocean in Small Life Saver's Boat

BRUSSELS.—Across the Atlantic in a small life-saver's boat is the plan of a Belgian navy officer. He is preparing his exploit with great care and inasmuch as he is a specialist of navigation on the high seas, he feels certain that he will succeed. He will start from Antwerp and cross the ocean between Dakar and Pernambuco. Staff employees of the British government number 2,519 fewer than last October 1. Canton, China, which has only 38 miles of modern roads, plans to add 10 miles of macadamized asphalt streets.

Budapest Finds Odd Robbery Good Joke

BOSS OF HOTEL

Mrs. Luther Snodgrass is Chicago's first woman hotel manager. She has been made head of the new Hotel Guyon in the Illinois metropolis.

Both Hold-up Man and Victim Admit They Have Never Seen Each Other.

BUDAPEST—One of the most mysterious robberies recently recorded by the Budapest police turned out to be one of the best jokes ever played on police authorities, when both the robber and the victim confessed that they have never seen each other and the robbery existed but in their imagination.

Mrs. Louise Polgar, a respectable widow and a wealthy citizen of the Hungarian capital, appeared a few days ago at the police headquarters of this city, and amid tears and outbursts of indignation related there how she was attacked and robbed by an unknown man while walking in a frequented public park in the evening. The shameless villain attempted even to offer violence.

Audacious Outrage. The audacious outrage, committed in mid-city, in the neighborhood of important state buildings and at a time when important foreign delegations are sojourning in the capital, stirred the authorities as well as the public. A thorough investigation was ordered and leading police officials received a severe rebuke for not being able to furnish any result for several days.

On the fifth day, however, the police triumphed. The malefactor came of his own accord to the headquarters,

Coming to the American theatre Monday.

confessed and declared that he cannot stand being hunted any longer. His name is Johann Endre, profession shoemaker, unemployed and want induced him to commit the crime.

Invented Story.

Few hours later he was confronted by Mrs. Polgar. First she fainted and then she avowed that the man is innocent so far as she is concerned, because she has never been robbed, she invented the story only to see her name in print and to arouse the attention of her acquaintances.

The affair was closed by a second confession of Johann Endre, who after a long cross-examination admitted he saw his "victim" but in newspapers and decided to supply the urgent demand of the police for a criminal only to find some food and shelter at the expense of the state.

The license fee on medicine shows has been raised from \$2 to \$100. This is expected to cause a flurry in the rattlesnake oil market. Akron Beacon Journal.

Leetonia

The Leetonia Kiwanis club had at its meeting Tuesday evening a program in commemoration of Memorial day.

E. L. Marshall and Alfred Thoman, Civil war veterans, were guests of the club. M. B. Adam, another veteran, was unable to attend owing to illness. The speaker was Rev. Father Manning of Salem, pastor of St. Paul's Catholic church. Rev. E. P. Wykoff of Perry also gave an address.

Music was furnished by a quartet composed of Mrs. H. C. Brillhart, Mr. and Mrs. James S. Hall and Dr. Paul H. Beaver. They sang "Rest in Peace" and "Let the Hills and Waves Resound." The meeting was held in the Methodist church.

Memorial services were held Wednesday morning in Oakdale cemetery. The procession was composed of

American Legion members, Boy Scouts, school children, two Civil war veterans, E. L. Marshall and Alfred Thoman, and the Lisbon cornet band. Rev. Dr. H. C. Brillhart was the speaker.

Miss Myrtle Wilhelm and Eldon Holt were married Wednesday morning in St. Paul's Lutheran church. The ceremony was performed by Rev. Dr. H. C. Brillhart. The bride is the daughter of Mr. and Mrs. William P. Wilhelm, a graduate of the Fairfield school and of Kent state normal school and has been a school teacher for the last six years.

Mr. Holt is the son of Mr. and Mrs. C. E. Holt and is connected in business with his father in the Leetonia Tool Manufacturing plant. The parents of the contracting couple were the only guests. Following the ceremony they left on a trip to Pittsburgh, Pa., and other cities.

Mr. and Mrs. Mary Ginter of Con-

way, Pa., were recent guests in the home of the former's parents, Mr. and Mrs. John Ginter.

Mr. and Mrs. J. C. Coffee and son, Wilfred, of Salem, were guests of Mr. and Mrs. Fred Ginter on Wednesday.

Mr. and Mrs. Shelton Harrington of Niles visited friends here Wednesday.

Dr. and Mrs. Donald D. Shontz and daughters, Dorothy and Frances May, of Massillon, were recent guests in the homes of Mr. and Mrs. Clyde R. Shontz and Mr. and Mrs. W. S. Grover.

Mr. and Mrs. Floyd Coleman and family of Alliance were guests of Mrs. Coleman's mother, Mrs. William Middleton on Wednesday.

Mr. and Mrs. Harry Snyder of Pittsburgh, Pa., were guests in the home of Mr. and Mrs. C. E. Greenamyer on Wednesday.

"JAZZ SINGER" OPENS RUN HERE

"The Jazz Singer," with Al Jolson in the role of the cantor's son, supported by May McAvoy in the part of Mary Dale will be presented by Warner Bros. today at the Ceramic theatre, opening a week's engagement. Heralded as the greatest motion picture they have ever made, Warner Bros. predict its success in East Liverpool will parallel what it has achieved in New York City.

Directed by Alan Crossland, and with a cast which includes Warner Oland as the elderly cantor, Eugene Bessner, Bobby Gordon, Richard Tucker, Otto Lederer and Nat Carr in the other parts, Warner Bros. have spared no expense to present this picture in an accurate and careful manner.

Because of the crowds which assemble to see the picture wherever it is shown, the management requests patrons to obtain their seats as far in advance as possible to avoid the delay in the lobby at the time of performance.

Minerva

Senior class of the Minerva high school held graduation exercises in the auditorium with 55 graduates present. Miss Marjorie Patterson introduced the class with a vocal solo, "A Spray of Roses." Fiber and Finlay was the subject of the address given by Miss Catherine Dietrich. "The Moving Picture," was rendered by Donald Thomas.

Robert Helderbrand played a violin solo. Superintendent W. F. Bonar then introduced Hon. John McSweeney who spoke on the subject "The American of Service." The high school orchestra furnished the music under the direction of Miss Hazel Shane.

"RINTY OF DESERT" AT AMERICAN

"Rinty of the Desert," a Warner Bros. production, starring Rin-Tin-Tin, comes to the American theatre today for a run of ten days.

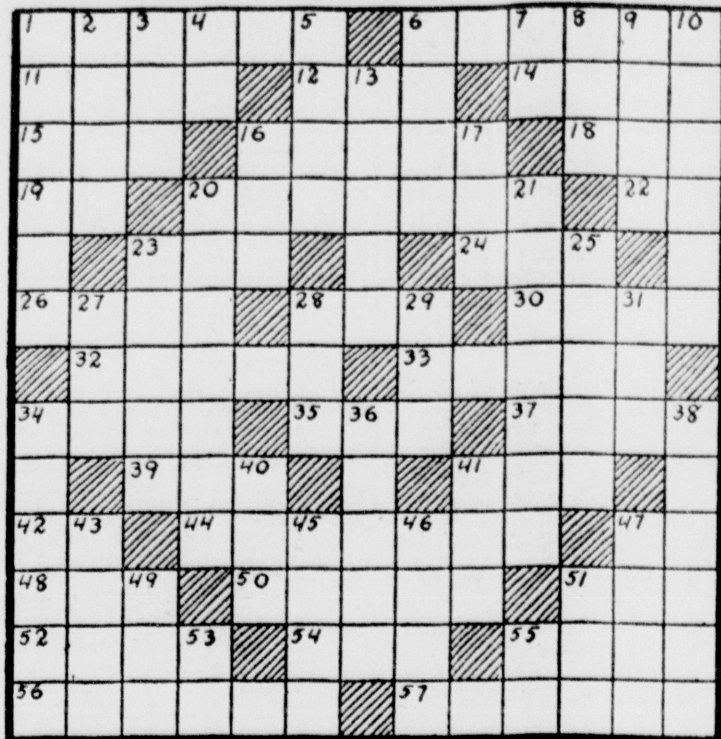

The rousing Western thriller is a Harvey Gates adaptation of a Frank Steel's story. Ros Lederman, who directed Rinty in "A Dog of the Regiment" and "A Race for Life," handled the megaphone in "Rinty of the Desert." The cast includes Audrey Ferris, Carroll Nye, Paul Janzer and Otto Hoffman.

Rinty is cast as a deserted dog who finds a home with old man Marlowe and his granddaughter Mary, keepers of a dime museum. Rinty adopts this family and a litter of puppies as well, and all goes merrily until he is falsely accused of having attacked Pat Casey, Mary Marlowe's husky young beau. See Rinty's fight for his life!

President of the board of education, Mr. Arthur Backner presented the diplomas to the following graduates: Catherine Dietrich, Marjorie Fultz, Frances George, Fay George, Ruth Harter, Mary Heston, Dorel Draher, Robert Humphrey, Harold Lanning, Clair Hunter, Roland Kennedy, Catherine Kurtz.

Doris Leiby, Helen Maufel, Helen Menard, Herman Mick, Dorothy Mills, Milton Nally, Marjorie Patterson, Ella Ray, Mable Ready, Foster Richardson, Thelma Roe, Catherine Schneider, Charles Shaw, Mary Shane, Zena Smith, William Thrower, Doris Walker, Dora Witten, Wilma Anthony, Robert Elton, Susan Hoff, Marjorie Robbins, Howard Biggins, Grace Mindlers, Austin Thompson, Donald Clark, Mary Evans, Mildred Bruhm, Jay Nelson, Bryan Cox, Thelma Elder, Lela Kochum, Clarice Keith, Lloyd Foltz, Robert Heldenbrand, Lucille Stump, Donald Thomas, Levin Weaver, Evelyn Hosack, Harriet Maufel, Mary Thompson, Howard Miller and Earl Simmons.

Ham!

with a flavor
that a porterhouse
steak would envy

LUXURIOUS MEAT at a price anyone can afford—that's the new, improved Sugardale sugar-cured ham. It's so good it makes any meal a banquet, for it is sweet and mild and tender, with just the right touch of smoky tang. And every ham is the same—never a one too salty, and no need of parboiling.

Even the appearance of the new Sugardale Hams is distinctive—every one plump and luscious and almost all steak. Sugardale Hams are individually selected from the finest tender, sleek young porkers. That's why they have less waste and more good meat in proportion to bone than any ham you ever saw.

Next time you want something extra good, pass up expensive meats and try a whole or half Sugardale sugar-cured Ham. It "goes right to the spot" every time.

Sugardale Bacon, too, is now cured by the special new sugar-cured process. It's so good it "melts in your mouth." Try it and you'll never go back to ordinary bacon again.

A full line of delicious meats are prepared the special Sugardale way—all tender and pure and with a zestful flavor all their own. Many are ready-cooked, ready to serve.

CHICAGO GANGS FEAR CO-EDS AT VOTING PLACE

Unafraid of Rival Bullets or "Gats" of Police.

GUARDS AT POLLS

No Girls Harmed Despite Terrorism in Elections.

CHICAGO.—Unafraid of the wizz of rival bullets about their heads, undismayed by the bombs of other factions, "gats" of police, or the star of federal authority, Chicago gangsters yet shrink from conflict with the modern co-ed.

This revelation was made here by Prof. Jerome Kerwin, of the political science school of the University of Chicago.

Here are the facts from which Prof. Kerwin makes his deduction: During four years U. of C. co-eds have stood guard at Chicago election polls.

Not a single casualty has resulted to any of the intrepid young women during these watches, which are part of the prerequisites for credit in the school political science.

Safe at Polls. No co-ed has ever been thrown out of a polling place during these four years.

Election judges in Chicago, the professor pointed out, were not prone to accept criticism from any one as to taking of ballots, or their counting. Persons who found fault with the manner in which voters were accepted by the poll judges usually were at least ejected summarily.

During the recent election here, numerous cases were reported of terrorism at the polls, of slurrings, of kidnappings, and of killing of election workers, capped by the assassination of Octavius Granady, negro candidate for precinct committeeman.

But not a girl has been harmed, Professor Kerwin said.

The young ladies have gone into the "tough precincts on the west side, and have watched the balloting elbow by elbow with the scions of gangland. They have investigated voting in wards that ran red with blood of clashing factions, and challenged votes where they thought irregularities were being permitted.

Apparently, according to Professor Kerwin, the young ladies have the gangsters and corruptionists "bluffed."

Harriet Ray, pretty young student watcher, reported that during her vigil at the last election, threats were made to lock her up in a polling place in the fourth ward. She stayed, despite the threats, and nothing was done about it, she said.

Pick Own Watches. The co-eds are permitted to choose polling places where they will watch, Kerwin said. If they so desire, they are permitted to go even into the

"river wards," notorious for their roughness during elections. The girls have been requested to take their parents with them, or friends, but few have done so, Kedwin added.

"Since none of the girls has had any trouble, we are willing to let them go almost any place."

"Some of the bravest have gone into places where the boy members of our classes have been thrown out. The girl members merely announce that they are there to stay, and to see that the voting is honest, and nobody has the temerity to touch them."

The college boys who watch the polls, however, have not fared so well, it was revealed. A few of them have been "beaten up" and many of them have made hurried departures from the vicinity of the polls.

Blind American Youth Makes Long Trip for Canine

GENEVA.—Morris Frank, a blind American boy of twenty years has made the trip alone from Tennessee to Mount Pelerin, above Vevey, to buy dog specially trained for conducting people without sight.

The dog has already learned to conduct his new master to the funicular railway connecting Pelerin and Vevey, make a tour of the so-called "chocolate town" and lead him back to his home on the mountain side without any mishap.

Mr. Frank intends to start a kennel in America for the benefit of his fellow blind-men.
